## Work Experience

### Qstrike Innovation Phils., OPC

San Fernando, Philippines

DESKTOP SUPPORT ENGINEER

Sep. 2023 - Jul. 2024

- Install, configure, and maintain computer hardware components, peripherals, and software applications.
- Diagnose and resolve hardware and software issues, including troubleshooting and providing technical support to end-users.
- Upgrade and replace components, such as RAM, hard drives, and graphics cards, to improve system performance.
- Analyze technical problems, identify root causes, and implement effective solutions to minimize downtime and disruptions.
- Provide remote technical assistance to off-site users through phone, email, or remote desktop tools (AnyDesk).
- Set up or reset new employees' workstations and equipment.

### QuickStrike Mnfg Phils Inc.

San Fernando, Philippines

FRONT-END DEVELOPER INTERN

Mar. 2023 - Jun. 2023

- Collaborated in Agile development environments, participating in daily stand-ups, sprint planning, demonstrations, and code reviews to deliver high-quality code within project timelines.
- Translated design mock-ups into pixel-perfect, standards-compliant HTML, CSS, and JavaScript code using Figma.
- Built and maintained reusable code libraries, frameworks (UI Kit), and components to streamline development processes and improve efficiency.
- Developed and implemented responsive user interfaces for websites, ensuring optimal user experience across various devices and screen sizes.
- Stayed up-to-date with emerging front-end technologies, trends, and best practices, proactively suggesting improvements and implementing new techniques to enhance the development process and deliver cutting-edge solutions.
